

Aerocanyon Ad'

**An unforgettable adventure
with friends or family**

Duration of the activity : 2h30
Difficulty : Affordable

The Besorgues canyon is a geological marvel situated at the heart of a natural paradise. After an easy 15 min walk, you reach a sequence of slides and jumps of up to 5 m. You will experience the Ardèche's longest slide (12 m) before crossing a 90 m zipline on your way back to the Base Canyon. The pace is a little more athletic than Family Aerocanyoning. No obstacles are obligatory. This activity is available for adults and young people aged 12 or more who are able to swim.

Walk there : 15'

Walk back : 2'

Personnal equipment supplied :

Helmet, full wet suit, socks, shoes, harness.

Group Equipment supplied :

Ropes, medical kit, watertight container.

Bring :

Swimwear, towel, a snack and a bottle of water (for the return to the Base).

Warning :

Participants must know how to swim and be in good physical condition. It is necessary to walk on a variety of terrains. Inform your guide of any health problems.

Acces

From Aubenas, follow the RN102 towards Le Puy, at the roundabout in Labégude take the 3rd right (RD578) towards Vals les Bains and then follow Le Cheylard / Antraigues. Approximately 1.5 km after Vals, turn left (RD243) towards Labastide sur Besorgues. Drive up this valley for about 8 km. 500m before reaching the village, turn right towards Labro. The meeting place is at the Base Canyon de la Besorgues. From Aubenas: 30 mins / 22 km.

What to do nearby?

For your comfort, the Base Canyon possesses a shaded picnic area, a welcoming space to read and relax, a play area for children, and a snack bar in July and August. Visits from the Base Canyon include the Pissarelle waterfall and village of Antraigues. There are numerous walks and bathing places nearby.
